

Help Us Put an End to Empty Bowls

Oakland Animal Food Bank

You Can Help Feed Hungry Pets

Increased demand at area food banks is not limited to food for humans. Many area pets are going hungry when their owners find themselves making tough choices in today's struggling economy. Families today are faced with the unthinkable - giving up their pets because they cannot afford to feed them. The **Oakland Animal Food Bank** was created to keep families in tact and keep pets at home where they belong – not in shelters.
